Please also pray for the families and friends of any known to us who have died recently including Carolyn Labrum's husband.

We pray for the continuing efforts to bring peace across the Middle East, and also for people living in Ukraine, for families who have lost loved ones in the conflicts and for lives to be saved.

Taste the benefits of seasonal and local food. Plan to incorporate locally grown produce into your diet and shopping list throughout the seasons, as it is harvested at its peak ripeness, ensuring superior flavour compared to imported

alternatives that have travelled thousands of miles. If saying grace before a meal is a regular practice in your household, this month, include giving thanks for your local food producers.
